

Freedom Air Filtration provides turnkey filtration services and goods throughout the United States and Canada. We are passionate about translating customer requirements into the best solution at value pricing. Our focus is to serve our entire supply chain – from our manufacturers to our customers – with integrity and honesty.

We are proud of our ability to cross-reference an extensive list of OEM filters. We can interchange over 100 common brands and more than 15,000 OEM parts!

Freedom Air Filtration is a Certified Women-Owned Enterprise. All of our products are made in the United States and we have Service Centers in four locations:

- Chicago, IL
- Beaufort, SC
- Boston, MA
- Fort Lauderdale, FL
